Please note that the purchase of luxury seating does not include Occupant Protection System (OPS) or seat belts. These components must be purchased separately, part number 10105572 and PF11409 or 10105572 and PF11566. Installation and compatibility of seat belts and OPS with luxury seating are the responsibility of the purchaser. Failure to install these safety systems may result in non-compliance with safety regulations and could compromise occupant safety.
